

M.R.F. Supervisor's Monthly Report November 9th 2012

The fun had by Carey and myself at the M.R.F. for the month of October include:

Accepting incoming rubbish
Working on the demo area
Crushing glass
Sorting the recyclables
Working on the electronics
Baling recyclables
Processing old paint
Running the nail sweep
Working on the haz-mat
Cleaning the shop
Grading the driveway
Servicing the equipment
Cleaning the exchange
Sorting scrap metal
Working on the 2013 budget
Answering numerous phone calls
Plus our daily routine

Additional info:

1. It was exciting to have our M.R.F. and recycling program written about in the Wisconsin Recycling News. If you didn't get a chance to read the article let me know. I can copy it for you, if you are interested.
2. I am trying to use up my vacation time by Nov. 21st. I will let you know if I need to roll over a couple of days to next year.

Respectfully submitted,

Ted Pallas Supervisor, M.R.F.
